IB World School

**Bellevue Children's Academy & Willows Preparatory School
DECLINE TO COMPLETE THE
HEALTH CARE PROVIDER'S ALLERGY/INTOLERANCE REPORT
2021-2022**

If you have indicated that your child has allergies on the Student Registration form for the 2021-2022 school year, please review the following information. As an educational institution and/or licensed childcare program, we are required to ask parents to complete the **"Allergy/ Intolerance Report Form"**, the **"Emergency Plan for Allergic Reactions"**, and **"Authorization for Administration of Medication at School"** forms. These forms let the school know what your child is allergic or intolerant to, the steps to treat an allergic reaction, and appropriate substitute foods for your student.

If you choose not to complete the applicable medical forms or provide medication to the school, you must sign and date the form below.

I have indicated that my child has an allergy on the Student Registration Form. However, I hereby choose not to submit an Individual Health Care Plan to Bellevue Children's Academy/Willows Preparatory School. My signature means that I will not Bellevue Children's Academy/Willows Preparatory School responsible for any and all consequences that may occur as of a result of this decision.

_____ Grade _____
