New Parent Sign Up

Below are the instructions for parents to create an account and request access to one or multiple students. After a successful sign-up an email will be sent to the school to approve your account and connect your students to the account. They will contact you shortly after the account has been created. Some of the pages below may or may not exist in your account depending on the access the school gives to the parents.

1. Go to www.ezschoollapps.com/ParentLogin.aspx and click on SIGNUP.

2. Type in the school's zip code in the box and click Submit.

3. Use the dropdown to select your school. (If you have multiple students in the same district then just choose a single school and submit all of students for that location. The school receiving the request will input the information for all relevant schools.)
4. Type in your First Name, Last Name, Phone Number and your Email address in the corresponding boxes.

5. Type in a password in the Create Password box. Then type in your same password a second time in the Confirm Password box.
6. Enter the first and last name of each of your students in the final box.
7. Finally click Send Account Creation Request. (Your registration is successful if you see this box below.)

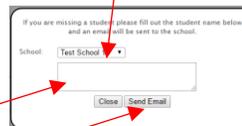

Please Note: You do not immediately have access to the system. The school must activate your account and link your student(s) to that account. The time to complete this process can vary. The school will send an email to you upon completion.

Adding an Additional Student to your Account if Missing

1. Click on Meal Preorder.

2. Click on Request Change to Student List.
3. The following box will appear and you can use the dropdown to first select your school.

4. Type in the first and last name of your new student.
5. Finally click Send Email.
6. The school will then link your additional student(s) to your account. The time to complete this process can vary.
